November 30, 2008

Dear Neil,

On behalf of Kids R First, we express our great appreciation for your recent donations to help kids in our programs. The check of \$2500 you gave to us as the result of your award was truly wonderful. But the real surprise came when Ginger called me immediately following your luncheon to give us the news of your company's matching gift of \$2500.

It is clear to us why N.J. Sullivan Co., Inc. was named one of *The Principal*® 10 Best Companies for Employee Financial Security for 2008. You have true regard for not only your employees to help make their lives and their families more secure, but you care about the future of kids as well. You are a true example of a poster company for others.

In late January (date TBD), we will be having a KRF Corporate Luncheon which Patrick Palmer has already extended you an invitation. We want to acknowledge you with your award and both donations for our College and Career Bound Program and Kids R First. The written invitation will be forthcoming.

Also note that your name has been added to our letterhead stationery as a Business Partner. As part of our thanks, we will provide a link from our website to yours.

We again thank you on behalf of the students who will benefit from your thoughtfulness.

Kind Regards,

Susan Ungerer  
President & Founder
